

YOUR SUPPORT MAKES A DIFFERENCE

24/7 Help

We are there for cancer patients and their families 24 hours a day, seven days a week at cancer.org or by calling 1-800-227-2345. Our cancer information specialists can help patients and their families locate a hospital, understand cancer and treatment options, learn what to expect and how to plan, help address insurance concerns, find financial resources, connect with a local support group and more.

Road To Recovery®

Having cancer is hard. Finding a ride to treatment shouldn't be. The American Cancer Society Road To Recovery program provides free rides to cancer patients to and from treatments. Trained volunteer drivers donate their time and the use of their personal vehicles to help patients get to the treatments they need.

Research

Your support helps the American Cancer Society invest in groundbreaking cancer research. As of November 2016, ACS is investing more than \$20 million in 30 cancer research grants in Ohio. In the past, the American Cancer Society has invested more than \$5.6 million in research at the University of Toledo.

Hope Lodge® and Other Lodging

The American Cancer Society Hope Lodge program provides free overnight lodging to cancer patients and their caregivers who have to travel away from home for treatment. Not having to worry about where to stay or how to pay for it allows patients to focus on the most important thing: getting well. Two of the ACS's 32 Hope Lodge communities are located in Ohio – the American Cancer Society Musekamp Family Hope Lodge residence in Cincinnati and the American Cancer Society Joseph S. and Jeannette M. Silber Hope Lodge residence in Cleveland. Also, cancer patients can benefit from complimentary lodging at local hotels.

Look Good Feel Better®

Look Good Feel Better workshops help women with cancer manage appearance-related side effects of treatment. Trained volunteer beauty professionals teach simple techniques on skin care, makeup and nail care, and give practical tips on hair loss, wigs and head coverings. The program is a collaboration of the American Cancer Society, the Personal Care Products Council Foundation and the Professional Beauty Association.

Dear Supporter,

New Name Same Great Event! In celebration of the 8th year of golf, we are pleased to announce that we have changed the name to honor our dear friend and past chair Jim Murray. On behalf of the American Cancer Society, the **Jim Murray Memorial Classic** committee and all those touched by cancer, I invite you to participate in a beautiful day of golf while raising funds to help save lives. The Jim Murray Memorial Classic returns to the prestigious Inverness Club on Monday, June 26, 2017.

This year we have the pleasure of hosting the event in honor of University of Toledo President and cancer survivor, Dr. Sharon Gaber.

In the past 7 years the American Cancer Society Classic has gained a reputation as the premiere golf event in northwest Ohio. It is not only a chance to get out and play some great golf, but to reconnect with friends and other community leaders in support of the life-saving work of the American Cancer Society.

We ask for your support on the green this June- whether you are a returning supporter or new to the event, we are sure you will have a wonderful day. Thank you in advance for your participation.

Sincerely,

Bill McDonnell
Golf Classic Chair
